The Honorable Barbara Mikulski
Committee on Appropriations, Chairwoman
U.S. Senate

Dear Majority Leader Reid and Chairwoman Mikulski,

The Dodd-Frank Wall Street Reform and Consumer Protection Act was enacted, in part, to address the significant risks posed by financial derivatives. Section 716 of the Act was a key component of the financial reforms. We urge you to oppose inclusion of provisions modifying or repealing this reform in any funding legislation.

Sincerely,
