While these meetings are substantive, members also have the opportunity to network, meet new friends, and catch up with old ones in exclusive surroundings.
- ★ **Young Eagles Summit:** This annual 2-day meeting is held in Washington, DC and will include all members of the Young Eagles. The purpose of this meeting is to strengthen leadership and develop strategy on how to expand the Young Eagles and determine the most effective ways that we can be involved on a National Stage.
- ★ **Regional Meetings:** These meetings are held across the country many times throughout the year. Venues include, but are not limited to Miami, New York, Los Angeles, Atlanta, and Dallas. Regional meetings serve as an opportunity for active members to bring together lawmakers from their home states for candid discussions in an intimate environment. Members are encouraged to bring friends or colleagues who are interested in exploring Young Eagles membership.
