2. Religious exemption

Do you think private businesses whose owners object to birth control on religious grounds should be required to provide health care plans that cover the cost of contraceptives for their employees?

3. Administration decision

The Trump administration recently issued a rule that allows many more employers to opt out of providing health care plans that cover the cost of contraceptives for their employees. Do you approve or disapprove of the Trump administration's decision?

	Gender			Age (4 category)				Race (4 category)

HuffPost: Contraceptive coverage

October 6 - 8, 2017 - 1000 US Adults

Interviewing Dates	October 6 - 8, 2017
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in Internet panel using sample matching. A random sample (stratified by gender, age, race, education, geographic region, and voter registration) was selected from the 2014 American Community Study. Voter registration was imputed from the November 2014 Current Population Survey Registration and Voting Supplement.
Weighting	The sample was weighted based on gender, age, race, education, 2012 and 2016 Presidential votes. The weights range from 0.196 to 6.006, with a mean of one and a standard deviation of 0.758.
Number of respondents	1000
Margin of error	± 3.9% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	49 questions not reported.
