This should be taken down and go fund me shouldn't allow people with blood on their hands to do this. This is hurtful to the families and a disgrace. I want my taxes and money to be used to put this animal in a cell next to 18-1858

Scott. You failed the community and the students you were sworn to protect. I am an unarmed security guard and would have still ran to and tried to stop the threat that day. Maybe you should look in the mirror instead of feeling sorry for yourself and realize that this is on you!

\$8700/mo in PENSION (wtf, really?) isn't enough for a lawyer? You don't need to fight your subpoena, you need to show up for it, like an actual human being! (Forgot, you aren't one!!!) Answer for what you've done (or didn't do for that matter) and \*try\* to move on. Do this one little thing to try and help people move on from this, don't drag it out even more! Let these people put all of their legal issues in the past so they can truly begin their healing process, please? The real reason you probably don't want to show up and you want to fight this is your overly cushy \$8700/mo tax-payer-funded pension. Yet, that still isn't enough money for you. You want to be greedy and ask for even MORE tax-payers money (from other states/ areas/ jurisdictions) to fund your outlandish legal fund. Let's all donate either to the families of the victims (if they still have funds going) or the victims of the latest shooting in CA? Or just about ANYTHING ELSE! Oh, and let's take away (or at least lower) that pension, yeah?

The arrogance and cowardice of this cop is typical of what we see all too often from law enforcement. This is the embodiment of Blue lives matter.

You have to be a real piece of human garbage to ask for money for your defense. You should absolutely be ashamed of yourself. I'm glad to have some faith in

humanity to see that no one has been insane enough to give you a dime.

What a self centered coward. He was "forced" to hire a lawyer to defend himself from the reality that he didn't do his job. Man up bro and apologize to the families, community for your neglect. Next say you're sorry for having the nerve to create it when you lacked the nerve to attempt save those kids.

No one give this monster a dime. He has an \$8702 monthly pension. He wants to use the public's money to defend himself from the public he failed to protect!

Are you really that stupid? He needs to be in jail. His failure to do his job caused children to die. I would burn money before I would give it to this coward.
