JOE BIDEN &
KAMALA HARRIS:
A new path forward for America.
A new path forward starts with our vote for a new President and Vice President.

Meet Kamala Harris

From Howard University to the United States Senate, Kamala Harris knows what it means to fight for the people. Born in Oakland, CA, and raised with the values of the civil rights movement, Senator Harris is uniquely qualified to understand the needs of our community. As Vice President, Sen. Harris will work with Joe Biden to end the crises and chaos of the past four years—and to ensure that our nation delivers on its promise of equal opportunity and justice for every American.

Combatting systemic racism and expanding economic opportunities for Black families.

Reforming America’s broken criminal justice system.

Expanding access to high-quality education and tackling racial inequity in our education system.

IT’S ON US TO LEAD THE WAY.

Vote by November 3.
